

COUNTY OF CHAUTAUQUA INDUSTRIAL DEVELOPMENT AGENCY
MEASUREMENT REPORT 2015

BUSINESS ATTRACTION

We will continue to advertise industrial, commercial, and tourism sites/buildings through various media in conjunction with local, regional, and state economic development organizations. We will work with the Workforce Investment Board (WIB), the Regional Economic Development Council (EDC), Chautauqua County Chamber of Commerce (CCCC)--especially through the Dream It, Do It Campaign, and the Manufacturers Association of the Southern Tier to improve our workforce. We will continually work with the County's Departments of Public Facilities and Planning and Economic Development, the Regional Economic Development Council, and Southern Tier West (STW) to continually improve our County's infrastructure.

BUSINESS RETENTION

CCIDA staff--Administrative Director, CFO, and Business Development Managers--will continue their exhaustive efforts in our long standing business retention and expansion campaign.

CAPACITY

Members of our Staff will participate in State, Regional, and National economic development educational programs, including webinars. We will work with various local, state, and Federal agencies to continually offer programming for our businesses and county residents. We will maintain membership on numerous economic development and organizations at the local, regional, and national level while participating on the boards of local organizations involved in tourism, economic development, and workforce issues.
